EXTRA-CURRICULAR ACTIVITIES / POLASAÍ UM GHNÍOMHAÍOCHTAÍ SEACH-CHRUACLAIM

1. Involvement by students in extra-curricular activities is important for personal development and is encouraged. We in Coolmine are proud of the extra-curricular tradition we have built up over the years and recognise the honour it is to represent the school. This honour may be withdrawn if a student misbehaves.
2. The final decision as to whether a student is permitted to be involved in an extra-curricular activity will remain with the teacher arranging the activity
3. This decision, on the student's participation, will be based on the students' co-operation in class, in the extra-curricular activity as well as their following school rules and procedures:
 - Sign a consent form
 - Ask for permission from relevant teachers, where possible
 - Remember that he/she is representing the school at all times and that school rules apply
 - Be courteous at all times
 - Treat the school bus with respect
 - Leave the premises used, in good condition and respect the belongings of others
 - Commit to do homework following the event
4. Parents are asked to note that members of school teams requires pupils to play inter-school competitions during or before school hours with the consequent loss of tuition/teaching/study time by those involved. While every effort is made to minimise this, such losses are inevitable and students must ensure that the missed homework and or home study is identified and completed. The student will seek, where possible, permission from their class teachers if games/activities require absence from a class-period.
5. Some participants may be responsible for assisting with the organisation of the activity e.g. nets, flags, first-aid etc.

A Deputy Principal will be designated as liaison person with those involved in extra-curricular activities. A student may be excluded from extra-curricular activities if documented misbehaviour is brought to the attention of the designated Deputy Principal by two or more teachers.
